

Overview of SkillsConnect Process Flow for WSQ Training Organisations

How do I become a SSG Approved Training Organisation and obtain WSQ accreditation and funding approval for my courses? Please click the links below.

1) Register for a CorpPass Account if you do not have one.

2) Apply for WSQ Organisation Profile if you do not have one.

3) Apply for WSQ Course Accreditation with your WSQ organisation profile.

The course will only be available for training grant applications in SkillsConnect upon funding approval.

Submit courses well ahead of course commencement, taking into consideration time needed for SSG to accredit the course and approve funding. Courses must be approved for WSQ accreditation and funding before course start date.
